Therefore I say to you, 'Whatsoever things you desire, when you pray, **believe that you receive them, and you shall have them.**'" *Mk 11:23,24*.

Study Sixteen: Healing

It will come as a surprise to some Christians to know that God desires to heal all our sicknesses as well as forgive our sins because of what Jesus has done for us on Calvary. We trust that through doing this study you will come to the point of knowing that you can trust God for physical healing.

GOD'S ORIGINAL CREATION

How did God create mankind? *Gen 1:27* _____

Although the "image of God" primarily refers to the triune nature of man, as well as his capacity for the spiritual, we may extend it to include the absence of physical disease. Seven times, (the number of perfection), in *Gen 1*, we are told that God's creation was "good" – conveying the picture of a world contented and flowing in blessing, of a society righteous and pure, of a universe free of any hurtful thing, including sickness. There was no sickness in the human race before the fall of man!

SICKNESS AND THE FALL

Sickness entered the human race as a result of the fall, for man fell body, soul and spirit from the position in which God had created him. The fall put man at the mercy of the devil! *1Jn 5:19*.

SOME CAUSES OF SICKNESS

1. **All** sickness is indirectly the work of satan and affects man because of sin in the human race.

- a. What kind of people are we told in *Ac 10:38* received their healing from Jesus? _____
- b. Note that the results of parents' sins may affect their children to the third and fourth generations.
Ex 20:5; 34:7; Num 14:18; Deut 5:9.
2. **Some** sickness is directly caused by personal intervention of satan, *Job 2:7*.
3. **Some** sickness is caused by the activity of demons and evil spirits (spiritual beings in satan's kingdom), *Mat 12:22; Mat 9:32,33; Lk 13:11,16*.
4. **Some** sickness is caused directly by sin. Write out the rest of what Jesus said to the man in *Jn 5:14*, "Sin no more _____"
Jesus here implies that further sin would result in a more grievous affliction.
5. **Some** sickness is due to physical breakdown through overwork (even in the Lord's service). Read what Paul says about Epaphroditus in *Phil 2:25-30*.
6. **Some** people are sick because they fail to discern the Lord's Body. Read *1Cor 11:29,30*. What do you think this means?

7. Often, sickness is caused by not treating the body properly, and abusing it. Note that our bodies are the temples of the Holy Spirit, *1Cor 6:19*.

PHYSICAL HEALING IN THE NEW TESTAMENT

1. *Is 53:4* says, "Surely He (Jesus) has borne our griefs and carried our sorrows"and v5 "by His stripes we are healed." Literally, the word for "griefs" is "sicknesses"; and the word for "sorrows" is "pains." Read *Mat 8:16,17*, and see that Jesus applied this verse to His healing ministry. According to v16, what did Jesus do for:
a. Those possessed with demons? _____
b. Those who were sick? _____
2. In *Mk 2:1-12* salvation and healing seem to be related. For the man to be healed Jesus could say one of two things
